## PRETEND

(Capitol Record by Nat "King" Cole)  
(Columbia Record by Ken Griffin)  
LEW DOUGLAS CLIFF PARMAN  
FRANK LEVERE

Pretend your happy when you're blue  
It isn't very hard to do  
And you'll find happiness without an end

Whenever you pretend  
Remember anyone can dream  
And nothing's bad as it may seem  
The little things you haven't got  
Could be a lot, if you'd pretend  
You'll find a love you can share,  
One you can call all your own  
Just close your eyes she'll be there.  
You'll never be alone  
And if you sing this melody  
You'll be pretending just like me  
The world is mine, it can be yours  
my friend

So why don't you pretend

## MY JEALOUS EYES (That Turned From Blue To Green)

MACK DAVID MARTITA  
My jealous eyes, what have you seen  
Why are you turning from blue to green

My lover's arms hold other charms  
But they're just dancing  
My jealous eyes, you mustn't grieve  
Just tell my heart that it must believe  
He holds her tight, but that's all right

They're only dancing  
What are they saying while they are swaying

Oh can it be he's tired of me  
My jealous eyes, the dance is through  
Now you can turn back from green to blue

It's fine again, he's mine again  
And he still loves me

Copyright 1953 by Paramount Music Corp.

## TILL I WALTZ AGAIN WITH YOU

SIDNEY PROSEN  
Till I waltz again with you  
Let no other hold your charms  
If my dreams should all come true  
You'll be waiting for my arms  
Till I kiss you once again  
Keep my love locked in your heart  
Darling I'll return and then  
We will never have to part  
Though it may break your heart and mine

The minute when it's time to go  
Remember dear, each word divine  
That meant I love you so  
Till I waltz again with you  
Just the way we are tonight  
I will keep my promise true  
For you are my guiding light

## SIDE BY SIDE

(Capitol Record by Kay Starr)  
HARRY WOODS  
Oh! we ain't got a barrel of money,  
Maybe we're ragged and funny,  
But we'll travel along  
Singin' a song side by side.  
Don't know what's comin' tomorrow,  
Maybe it's trouble and sorrow,  
But we'll travel the road,  
Sharin' our load side by side.  
Thru all kinds of weather  
What if the sky should fall  
Just as long as we're together,  
It doesn't matter at all  
When they've all had their quarrels  
and parted  
We'll be the same as we started  
Just trav'lin' along  
Singin' a song side by side.

## I BELIEVE

(Capitol Record by Jane Froman)  
(Columbia Record by Frankie Laine)  
ERVIN DRAKE IRVIN GRAHAM  
JIMMY SHIRL AL STILLMAN  
I believe for ev'ry drop of rain that falls  
A flower grows  
I believe that somewhere in the darkest night  
A candle glows  
I believe for ev'ryone who goes astray  
Some one will come to show the way  
I believe I believe  
I believe above the storm  
The smallest prayer will still be heard  
I believe that someone in the great somewhere  
Hears ev'ry word  
Ev'ry time I hear a newborn baby cry  
Or touch a leaf, or see the sky  
Then I know why I believe!

## I CONFESS

(Columbia Record by Sarah Vaughan)  
JACK LAWRENCE GUNNAR HOFFSTEN  
TRYGVE ARNESSON  
I confess it's you that I adore  
I confess each day I love you more  
Is it sinful to kiss you and thrill  
If it's sinful then darling I'm guilty  
I confess the dreams I can't control  
You possess my dreams, my very soul  
I'm yours for the taking, I'll never give less  
So answer "yes"  
Confess what I confess

## YOUR CHEATIN' HEART

(Columbia Record by Frankie Laine)  
HANK WILLIAMS  
Your cheatin' heart will make you weep  
You'll cry and cry and try to sleep  
But sleep won't come the whole night through  
Your cheatin' heart will tell on you  
When tears come down like fallin' rain  
You'll toss around and call my name  
You'll walk the floor the way I do  
Your cheatin' heart will tell on you  
Your cheatin' heart will pine some day  
And crave the love you threw away  
The time will come when you'll be blue  
Your cheatin' heart will tell on you  
When tears come down like fallin' rain  
You'll toss around and call my name  
You'll walk the floor the way I do  
Your cheatin' heart will tell on you

## (How Much Is) THAT DOGGIE IN THE WINDOW

BOB MERRILL  
How much is that doggie in the window  
The one with the waggely tail  
How much is that doggie in the window  
I do hope that doggie's for sale  
I must take a trip to California  
And leave my poor sweetheart alone  
If he has a dog he won't be lonesome  
And the doggie will have a good home  
How much is that doggie in the window  
The one with the waggely tail  
How much is that doggie in the window  
I do hope that doggie's for sale  
I read in the papers there are robbers  
With flashlights that shine in the dark  
My love needs a doggie to protect him  
And scare them away with one bark  
I don't want a bunny or a kitty  
I don't want a parrot that talks  
I don't want a bowl of little fishies  
He can't take a goldfish for walks  
How much is that doggie in the window  
The one with the waggely tail  
How much is that doggie in the window  
I do hope that doggie's for sale

## DOWNHEARTED

BOB HILLIARD DAVE MANN

Ever since we parted I've been downhearted

Who ever thought I'd miss you so?  
Please come back I beg you, please baby, please

What fools are we who cannot see the forest for the trees

Now I'm the one that I outsmarted and I'm downhearted

I lost the truest love I'll ever know  
Oh, how I yearn to hold you in my arms once again

And I'll be downhearted till then

Copyright 1953 by George Paxton, Inc.

## I DON'T KNOW

(Capitol Record by Tennessee Ernie)

WILLY MASON

I'm dead sick and tired of the way you do

Good kind poppa got a boss on you  
Sprinkle goober dust all around your bed

Wake up one of these mornings  
Find your own self dead

She said you shouldn't said that  
I said what should I said this time baby

She said m-mm-mm I don't know

My oh my oh my

I don't know what my baby's puttin' on.

The woman I love she got dimples in her jaw

The clothes she's wearin' is made out of the best of cloth

She can dig and wash them

Hang them up side the wall

She can throw them outside the window

And run out and catch them a little bit before they fall.

Sometimes I think you have your habits on

She said you shouldn't said that

I said what should I said

That make you mad this time

She said m-mm-mm I don't know

My oh my oh my

I don't know what my baby's puttin' on

## WITHERED ROSES

PAUL KOY

I found some withered roses

In an old treasure chest of mine

And more than one supposes

They brought to life that love divine

In those sweet withered roses

There lives a fragrant breath of June

And in their withered soul reposes

A love that died too soon

How I long for happy hours

Those golden times once more

Where the roses twine themselves

With love around the door

I press those withered roses

And beg your love divine

But their scent which now has vanished

Was your love, sweetheart mine

Copyright 1952 by Ridgeway Music Inc.

## WILD HORSES

(Capitol Record by Ray Anthony)

K. C. ROGAN

It would take more than a pack o' wild horses

Pullin' your wagon to keep you from me

It would take more than superior forces

Even a dragon, to keep you from me  
You can make fools out of other good guessers

Put me in blinkers, I know where you'd be

It would take schools of the finest professors

Usin' their thinkers to keep you from me

What a sight you are, how bright you are, you glow

Take that sight away and right away I'd go

Straight to your door over obstacle courses

Maybe I'm braggin' but surely you see  
It would take more than a pack of wild horses

Pullin' your wagon to keep you from me

Nothin' can keep you from me

Copyright 1953 by George Simon, Inc.

## YOU CAN DO IT

(Capitol Record by Helen O'Connell)

CARL SIGMAN PETER DE ROSE

You can do it, you can do it, you can

You can do it, you can do it, you can

You can do it, you can do it, you can do it

You can do it, you can do it, you can do it, you can

You can take my hand

You can do it, you can do it, you can

My heart you can do it, you can do it, you can

My house you can do it, you can do it, you can

I belong to you

You can kiss me now

You can do it, you can do it, you can

Right here you can do it, you can do it, you can

Again you can do it, you can do it, you can

If you love me too

I've said these words for other boys to hear

But they are far away and you are near

Must you be so shy

You can do it, you can do it, you can

Just try you can do it, you can do it, you can

Ay, ay, you can do it, you can do it, you can

You can take my hand, my heart, my house

You can do it, you can do it, you can

You can do it, you can do it, you can

You can do it, you can do it, you can do it

You can do it, you can do it, you can do it, you can

## LOVELY WEATHER FOR DUCKS

(From the Paramount Picture "The Stars Are Singing")

JAY LIVINGSTON RAY EVANS

When it's pouring rain and people complain

 And things aren't worth a shucks  
Don't you yell, just say,

 "Well lovely weather for ducks!"  
When it's freezing snow,

'Bout zero or so

 And the icy sidewalk glares  
Don't get cold feet, just repeat

"Lovely weather for bears!"

 Though all your cares seem double  
There's good in ev'ry bad

 So, sneer at old man Trouble  
And he'll go away mad

 When your shoelace breaks and your  
toothache aches

 And you need a few more bucks  
Don't you pout, just sing out

 "Heavenly weather for  
What could be better for

Lovely weather for ducks!"

Copyright 1953 by Famous Music Corp.

## HAVEN'T GOT A WORRY

JAY LIVINGSTON RAY EVANS

 Feelin' fine, feelin' great  
I got a reason to celebrate  
Feelin' great, feelin' fine  
Caught me some happiness on my  
line

 Birds can fly, so can I  
I'm so happy I'm flyin' high  
Haven't got a worry to my name  
She's my friend, he's my pal  
Ev'rybody's my guy and gal  
Haven't got a worry to my name  
I do, ev'rything I do with brand new  
rhythm

 Tell those lucky stars I'm movin'  
right in with 'em

 Fly the flags, ring the bells  
What a future my fortune tells  
Feel so free I'll never be the same  
I haven't got a worry to my name

## (I Just Had A Date) A LOVER'S QUARREL

(Columbia Record by Sarah Vaughan)  
NEWT RICHARDSON VIC Mc ALPIN

I just had a date that didn't mean a thing

'Cause the boy in my arms wasn't you  
And the date that I had that made me so sad

Made me care more darling for you

We had a quarrel a lovers' quarrel  
That we let tear us apart

Oh, please forget that lovers' quarrel  
And take me back dear in your heart

We went to the places where we used to go

And the band played the same old sweet songs

And all the old faces made me miss you so

Without you dear I can't go on

Copyright 1953 by Melody Trails, Inc.

## JUST BECAUSE YOU'RE YOU

(Columbia Record by Jo Stafford)

CAROLYN LEIGH NACIO PORTER BROWN

Just because you're you and just as you are

You're my dream come true, but better by far

If you asked me why, guess I'd say that I love you

Just because you're you

We could be alone, or out in a crowd  
No one else I've known could make me so proud

Ev'rywhere we go ev'ryone I know loves you

Just because you're you

But how can I explain the thrill that's in your kiss

When words are all in vain

And all I know is this, dear

If you didn't win the world with your charms

I'd be happy in the warmth of your arms

Call it what you will, darling I would still love you

Just because you're you

Copyright 1952 by Sunbeam Music Corp.

## LET ME SHARE YOUR NAME

BOB NOLAN

Take me with you where you go

I'll cause you no pain

I'll be oh so proud

If you'll let me share your name

Where you come from where you go

Only angels tell

Where your footsteps fall

Let my footsteps fall as well

Where your heart goes there goes mine

Take me with you dear

Then this joy of mine will be thine

When I'm so near

Take me with you where you go

I'll cause you no pain

I'll be oh so proud

If you'll let me share your name

## THE GUY WHO INVENTED KISSIN'

(Capitol Record by Ella Mae Morse)  
CHARLES ORR EARL GRISWOLD

I love the guy who invented kissin'  
I don't recall his name

But I do believe that guy  
Should sit high in the Hall of Fame  
Until he came along

Just think what we were missin'  
That's why today I shout hooray

For the guy who invented kissin'

He taught the fellas how to smooch  
Instead of holdin' hands

He showed them how to steal a kiss  
Like they do in foreign land

Until he came along

Just think what they were missin'

Love was very nice

But as cold as ice

Till that guy invented kissin'

He showed the girls how to pucker up  
And roll their pretty blue eyes

He showed them how to kiss hello

And how to kiss goodbye

Until he came along

Just think what they were missin'

They could only cook or read a book

Till that guy invented kissin'

Mr. Edison invented the lights

Mr. Bell the telephone

And Columbus found America

Their names are all well known

But till he came along

This world had something missin'

And I'm tellin' you,

There was nothin' to do

Till that guy invented kissin'

He patented the kiss of fire

And how to kiss goodnight

On every kind of kiss and hug

He holds the copyright

And if I had my way

The only thing I'm wishin'

Is to make a date

Then to stay out late

With the guy who invented kissin'

## MY DEVOTION

ROC HILLMAN JOHNNY NAPTAN

My devotion is endless and deep as the ocean

And like a star shining from afar

Remains forever the same

My devotion is not just a sudden emotion

It will be constantly burning

And your love will kindle the flame

What a sweet beginning to the dream

I planned

All I own is yours alone

Your wish is my command

And this sensation was never a mere fascination

Here in my heart one sweet day it started

Then with time it grew

My devotion to you.

## EVEN NOW

RICHARD ADLER JERRY ROSS DAN HOWELL

Even now while dancing with a new love

I keep thinking of the promises you made

Even now while the band is playing I hear you saying your love won't fade

Even now while making conversation I keep thinking of the way you broke each vow

So you want another chance Well, I've found a new romance And we're even now

## STRANGE

(Capitol Record by Nat "King" Cole)  
JOHN LA TOUCHE MARVIN FISHER

Strange how your dangerous eyes compel me

Altho' they tell me to beware

And it's so strange

How you change ev'ry dull hum-drum thing

Making it something sweet and rare Is this a game you're enjoying with me

Are you toying with me in this romance?

If by some chance you arrange

To return even half of my love

I won't ask why love

It's too strange

## I'LL GO ON ALONE

(Columbia Record by Marty Robbins)  
MARTY ROBBINS

We're trav'lin' down two different roads

In worlds so far apart

You want me yet there's something else

Before me in your heart

You're wanting me to change my life

The way you're livin' yours

But I can't change I see no way

You wanted me before

If you don't want me like I am

Then please don't pity me

If you can't change a little bit

Then why not set me free

If we can't live together

Then it's best we live apart

You go your way and I'll go mine

We'll both make brand new starts

There's nothing we can do

It seems we'll never get along

With you believing like you do

You say I live so wrong

But I can't change my way of life

I've lived it much too long

You'll either take me like I am

Or I'll go on alone

So either say you want my love

Or take the way you live

Remember though, before you get

You've got to learn to give

So if it's change my life or go

Then "go" it's gonna be

'Cause I can't change my life

When you want something more than me

## PRETTY LITTLE BLACK-EYED SUSIE

(Columbia Record by Guy Mitchell)  
KAY TWOMEY FRED WISE BEN WEISMAN

I love the sea, I love the navy

Love my biscuits soaked in gravy

But pretty little black-eyed Susie

My pretty little black-eyed Susie

Cross my heart I love you best of all

I love the hills, I love the prairie

I love Jane and I love Mary

But pretty little black-eyed Susie

My pretty little black-eyed Susie

Cross my heart I love you best of all

I'm as happy as a king

Got the world upon a string

Can't ask for more

I'm right at heaven's door

Oh I used to do a lot of teasin'

Changed my gals with ev'ry season

But pretty little black-eyed Susie

My pretty little black-eyed Susie

Cross my heart my ramblin' days are

through

Pretty little black-eyed Susie I love you

I love my pipe, I love tomatoes

I love candied sweet potatoes

But pretty little black-eyed Susie

My pretty little black-eyed Susie

Cross my heart I love you best of all

I love the trees, I love the flowers

Love to walk through April showers

But pretty little black-eyed Susie

My pretty little black-eyed Susie

Cross my heart I love you best of all

Used to say I'd never wed

Those were foolish words I said

'Cause now I see that you were

meant for me

Oh, I used to be a guy who gambled

I had wand'ring shoes that rambled

But pretty little black-eyed Susie

My pretty little black-eyed Susie

Cross my heart my ramblin' days are

through

Pretty little black-eyed Susie I love

you

Oh, how I've wanted to tell you,

Just what I feel in my heart

Oh my wonderful one  
How I adore you  
Thru the day and night  
I'm longing for you

## SMALL WORLD

VAUGHN HORTON  
I close my eyes and I can see  
Your smile a million miles from me  
Isn't it a small world when you're in  
love?  
To think how far we are apart  
But here I find you in my heart  
Isn't it a small world when you're in  
love?  
The whole world seems to spin around  
my dreams  
And stop wherever you may be  
But if I wake with sweetheart-ache  
It's just a dream forsaking me  
Now I don't wish for anything  
For me the world is on a string  
Darling, it's a small world when  
you're in love

They were seeing each other whenever  
they could  
And ev'ryone knew but me  
They were dreaming and scheming  
As most lovers would  
And ev'ryone knew but me  
I was living in a dream-world  
A world all our own  
Then suddenly I wakened to find I'm

## CONGRATULATIONS TO SOMEONE

(Columbia Record by Tony Bennett)  
ROY ALFRED AL FRISCH

Congratulations to someone  
Someone who's happy with you  
I guess he did the right things  
I wasn't wise enough to do  
Congratulations to someone  
Someone who's holding you now  
You know I'll always love you  
But I'll get along somehow  
Didn't I kiss you often enough  
Didn't I hold you tight  
Why did you leave me here by my-  
self

Crying alone in the night  
I thought you'd love me forever  
Somehow it just couldn't be  
Congratulations to someone  
But I wish that the someone was me

## YOU SAY IT WITH YOUR EYES

GORDON G. GARBELL MANUEL S. ACUNA

You say it with your eyes  
One look, I'm in your spell  
Then suddenly my heart sings  
You say it with your eyes  
And I can see so well  
You're playing on my heart strings  
You set my love afire  
I tremble when I turn to face you  
So strong is my desire  
My soul just melts when I embrace  
you

You say it with your glance  
One kiss and I grow weak  
This moment is so thrilling  
This moment of romance I never  
dreamed I'd seek  
And find your heart so willing  
So, say it with your eyes  
And let me look at you forever  
For I see paradise  
Forever in your eyes sweetheart

## O-SHO-BE-DO-BE (Oo-Shoo-Be-Doo-Be)

JOE CARROLL BILLY GRAHAM

One day while strolling through the  
park  
I overheard a lovers' conversation  
They didn't say "I love you, dear"  
All they did was whisper in each  
other's ear  
They said, "oo shoo be doo be oo oo  
oo  
Oo shoo be doo be oo oo  
Oo shoo be doo be oo oo  
Shoo be doo be, shoo be doo be  
Oo shoo be doo be oo oo  
Oo shoo be doo be oo oo  
Oo shoo be doo be oo oo  
Oo shoo be doo be oo oo  
Shoo be doo be, shoo be doo be."  
Shoo be doo be means that I love you  
And oo that means I love oo too  
As I passed by I could hear her say  
We better hurry and name the day  
Oo shoo be doo be oo oo  
Oo shoo be doo be oo oo  
Oo shoo be doo be oo oo  
Shoo be doo be, shoo be doo be

## LONELY EYES

JOE LARKIN

You've been dreaming, lonely eyes  
What's your secret, lonely eyes  
You may fool a lot of people with  
your laughter  
But there's something more you're  
after, lonely eyes  
You can take off your disguise  
You can stop those funny lies  
Why pretend you wouldn't want a one  
and only  
When I know you're sad and lonely,  
lonely eyes  
Those clever things that you do are  
beguiling  
But a heartache shows thru when  
you're smiling  
Can I help you cure those sighs  
I'd be willing and I'm wise  
So before you let the moon get any  
older  
Go ahead and use my shoulder, lonely  
eyes

## JOHN, JOHN, JOHN (Ev'ry Tom, Dick and Harry's Called John)

COLLINS DRIGGS

East and West and North and South  
And aw - all around and 'round and  
'round  
Dear old daddy paced and paced  
And paced and paced the floor  
A name, a name, a name a name  
For baby number four  
He had to have, he had to have a  
name  
To fit the kid  
But when mama said, "Let's call him  
John"  
Ole pappy flipped his lid

Ev'ry Tom Dick and Harry's called  
John  
Ev'ry Tom Dick and Harry's called  
John  
Ev'ry baby in the cradle  
Seems to get that same old label  
Can't we call him anything  
But John John John  
Ev'ry Tom Dick and Harry's called  
John

It's Johnny this, and Johnny that  
No matter where you go  
They pin the name, upon a Yank  
A Scot or Eskimo  
There's Ted and Ned and "Chowder  
Head"  
There's nothing wrong with Stu  
But they answer to the name of John  
From here to Timbuktu

There's a million Giovannis back in  
Italy  
And there's a Jean no matter where  
you go in Gay Paree  
There's Jan and Juan and there's  
Johann  
To mention just a few  
Can't we give this little guy a break  
And call him something new

## I'M SKIPPING ROPE WITH A RAINBOW

ERVIN DRAKE JIMMY SHIRL  
HENRY JEROME

I'm skipping rope with a rainbow  
I'm telling each star how happy we  
are

I'm skipping rope with a rainbow  
I'm singing the moon a honeymoon  
tune

Hey! ev'rybody look at me  
Way up on a cloud  
My baby said "Yes-sir-ree"  
So here I go, hippity hop over the  
crowd

I'm skipping rope with a rainbow  
I'm telling the world we're in love  
Copyright 1953 by Carmen Music Inc.

## YOU'RE SO DANGEROUS

ROBERT MELLIN

You're so dangerous  
You're like a sip of wine  
That makes my head go 'round and  
'round

And tingles up my spine  
I can't keep away from those smould-  
ering eyes

But, you know fools like me weren't  
born to be wise

You're so dangerous  
I see a warning sign  
Whenever your lips cling to mine  
There's danger ahead  
My heart cried out "beware"  
But I don't care  
Knowing I'm playing with fire  
You're dangerous  
But you're my heart's desire  
Copyright 1952 by Robert Mellin Inc.

## TAKE CARE, MY LOVE

(Capitol Record by Margaret Whiting)

CHILTON PRICE PEE WEE KING  
REDD STEWART

Don't let the sun caress you  
Take care my love  
It might in time possess you  
Take care my love  
Don't let the winds of springtime  
Blow free when you're around  
I'm afraid too bold a breeze  
Might claim the love I've found  
Don't let the moon excite you  
Take care my love  
Too many arms invite you to share my  
love

You may be playing with fire  
But this I'm certain of  
The flame in my heart will never  
harm you, my love  
Copyright 1952 by Ridgeway Music Inc.

## SECOND FIDDLE

JOHN REDMOND JAMES CAVANAUGH  
FRANK WELDON

Second fiddle, second fiddle  
My heart's sayin' that I'm playin'  
second fiddle  
If it's true love, there's a new love  
Then I hope and pray he isn't foolin'  
you love  
But when you find he's the rovin'  
kind  
Always remember, tho' we are apart  
I'll keep playin' second fiddle  
'Til the day that I'm first in your  
heart

## ANYWHERE I WANDER

(From Samuel Goldwyn's "Hans Christian  
Andersen")

(Capitol Record by Mel Torme)

FRANK LOESSER

Her arms were warm as they wel-  
comed me  
Her eyes were fire bright  
And then I knew that my path must  
be  
Thru the ever haunted night, for

Anywhere I wander, anywhere I roam  
Till I'm in the arms of my darling  
again  
My heart will find no home  
Anywhere I wander, anywhere I roam

Her voice was oh such a soft caress  
Of love it gently told  
And in her smile was the tenderness  
I may never more behold, but

Her tears were silver as morning dew  
As she bade me goodbye  
And ev'ry tear was a promise true  
That her love would never die, so

## HURRY, HURRY, HURRY

(Darling, Come Home)

(Columbia Record by Sammy Kaye)

WILLARD ROBISON ALEX ALSTONE  
Too many tears are burning for your  
returning

Hurry, hurry, hurry, darling  
Come home, come home, come home,  
come home

Two empty arms enfold you, in dreams  
they hold you

Hurry, hurry, hurry, darling  
Come home, come home, come home,  
come home

Days are so lonely and nights are so  
long

I love you only, to you I belong  
Two waiting lips on fire filled with  
desire

Hurry, hurry, hurry, darling  
Come home, come home, come home,  
come home

## TAKE A LITTLE

(Leave A Little)

HERB KENNY JACK WOLF FRED NORMAN  
If your dice start gettin' lucky

And the stuff starts comin' your way  
Take a little leave a little don't be  
a fool

Tomorrow is another day  
If the girl is more than willin'  
Just remember these words I say  
Take a little leave a little don't be a  
fool

Tomorrow is another day  
Livin' lovin' the very same rule  
applies

If someone tells you that it ain't so  
Just say I said otherwise  
If you're ever really rollin'  
Just relax and don't overplay  
Take a little leave a little don't be a  
fool

## HAVE YOU HEARD?

LEW DOUGLAS FRANK LAVERE ROY RODDE  
 Have you heard?  
 Who's kissing him now  
 Do you think he's blue  
 Does he say we're thru  
 Has he found someone new  
 Have you seen?  
 The way he looks now  
 Does he act the same  
 When he hears my name  
 Does he say who's to blame  
 My arms are empty  
 My nights are long and lonely  
 I miss him so  
 Each new tomorrow  
 Can only bring me sorrow  
 I love him so  
 Have you heard?  
 Of their wedding day  
 Rumors come and go  
 Still I'd like to know  
 If it's true, won't you tell me  
 Have you heard?

## I'LL STAY IN THE HOUSE

(Columbia Record by Jimmy Boyd)

JOSEF MARAIS

I'll stay in the house  
 I live in my grandma's kitchen  
 I'll stay in the house  
 But I live only in the kitchen

I like the kitchen,  
 Sleep there ev'ry night  
 So when I'm hungry  
 I don't have far to go for a bite  
 So I'll stay in the house  
 I live in my grandma's kitchen  
 I'll stay in the house  
 But I live only in the kitchen

I'll sit all the day  
 And watch how my grandma's cook-  
 ing  
 I'll sit by the stove  
 Take a bit when she isn't looking

## BAY OF MEXICO

PAUL CAMPBELL TOM GERACI

'Round that Bay of Mexico  
 Way o Susiana  
 Mexico is the place that I belong in  
 'Round the bay of Mexico

Goodbye girls of Nassau Town  
 Way o Susiana  
 I'm sailing away to the fishing grounds  
 Around the Bay of Mexico

When I was a young man in my  
 prime  
 Way o Susiana  
 I'd court those pretty girls three at a  
 time  
 Around the Bay of Mexico

When I am an old man bowed and  
 bent  
 Way o Susiana  
 Oh never will I forget the happy  
 hours I spent  
 Around the Bay of Mexico

## SHE WEARS RED FEATHERS

(And A Huly-Huly Skirt)

(Columbia Record by Guy Mitchell)

BOB MERRILL

I worked in a London bank  
Respectable position  
From nine to three they serve you  
tea

But ruin your disposi-ishun  
Each night in the Music Hall  
Travelogs I'd see  
And once a pearl of a native girl  
Kept smilin' right at me

She wears red feathers and a huly-  
huly skirt  
She wears red feathers and a huly-  
huly skirt  
She lives on just cocynuts and fish  
from the sea  
A rose in her hair, a gleam in her  
eyes  
And love in her heart for me

Goodbye to the London bank  
I started in a-sailin'  
The fourteenth day from Mandalay  
I spied her from the ra-ailin'  
She knew I was on my way  
Waited and was true  
She said "You son of an Englishmon  
I've dreamed each night of you."

I went to her ma and pa  
And said I loved her only  
And they both said we could be wed  
Oh, what a ceremo-ony  
An elephant brought her in  
Placed her by my side  
While six baboons got out bassoons  
And played "Here comes the bride."

I'm back here in London town  
And 'tho it may sound silly  
She's here with me and you should  
see us

Walk down Piccadi-illy  
The boys at the London bank  
Kind o' hold their breath  
She sits with me and sips her tea  
Which tickles them to death

## SINCE YOU WENT AWAY FROM ME

JOE THOMAS HOWARD BIGGS

All the folks I meet walking down  
the street

Know that I'm as blue as can be  
All I do is sigh, sit alone and cry  
Since you went away from me  
Eyes forever wet, heart that can't  
forget

Happiness that once used to be  
Tears begin to flow, ev'rywhere I go  
Since you went away from me  
I need you ev'ry morning, need you  
ev'ry night

Until you come back darling  
Nothing can be right  
Oh I miss you so, more than you  
could know

Yes I need your love constantly  
All I do is yearn, pray for your re-  
turn

Since you went away from me

## SONG of the MONTH

Tunesmith Jesse Mae Robinson follows up her recent song-writing triumph, "I Went To Your Wedding," with another lovely folk ballad entitled "Keep It A Secret." Both of these top tunes are excellent examples of the current trend in the music world which finds country-style music invading the pop field. It looks as though today's public prefers a simple, pretty melody to a souped-up number with heavy orchestration.

The outstanding success of "Keep It A Secret" can be attributed to the charming and beautiful Columbia recording favorite, the ever-popular Jo Stafford. This is the third straight hit recording Jo has come up with during the past few months, the other two being "You Belong To Me" and "Jambalaya." These, too, must be classified in the folk category, as the former comes from the pen of Pee Wee King ("Tennessee Waltz," "Slowpoke"), and the latter from that of the late Hank Williams.

Although Jo Stafford is presently rated as the top female vocalist in the realm of popular song, she is actually a country girl from way back. Her ancestors were Tennessee mountain folk, which might explain Jo's expert handling of folk songs when the occasion demands. The lovely warbler's agility with a western tune was favorably demonstrated when she and Red Ingle amused the entire nation a few years back with a zany rendition of "Temptation" called "Tim-Tay-Shun."

While the Stafford version rapidly pushes its way to the top in the popular music field, Slim Whitman's Imperial recording of "Keep It A Secret" rides high in the folk realm. All of this would seem to indicate that "Keep It A Secret" — our "song of the month" — is a tune capable of satisfying a variety of musical tastes.

## KEEP IT A SECRET

(Columbia Record by Jo Stafford)

(Capitol Record by June Hutton-Axel Stordahl)  
If you see my darling with somebody  
new

Keep it a secret whatever you do  
Why should you tell me and break my  
poor heart

Then foolish pride would just drive us  
apart

If you see my darling in some  
rendezvous

Painting the town with a girl he once  
knew

Pay no attention and just let it be  
But keep it a secret from me

I'd make your ev'ry wish come true  
If it were up to me  
I'd build you a castle of silver and gold

Somewhere on a sunbeam

When you awaken ev'ry day  
From dreams of ecstasy  
All this I'd gladly do darling for you  
You'd be mine to love eternally

RUSS COLUMBO

Just as long as the river  
Finds its way to the sea  
That's how long I will love you  
Until eternity

Just as long as the robin  
Sings its song from the trees  
That's how long I will love you  
Until eternity

Just as long as there's laughter

And brings another day  
Just as long as my heart beats  
You'll be my destiny

## DID ANYONE CALL?

AL J. NEUBURG DAVE FLEISCHER

BOYD BUNCH

Did anyone call?

Was there a message for me?

No? that's funny

It's Friday night, isn't it?

The clock is right, isn't it?

I just can't understand

After all the things we planned

Well, maybe I'm wrong

Perhaps I just don't belong

Love is funny

These nights we've been apart

I keep on asking my heart

Did anyone call,

Did anyone call for me?

Yes, I know you'll hate me for what I've done to you

But still I pray you'll understand for what else could I do

Dear Joe, here's wishing you best of ev'rything

## KAW-LIGA

HANK WILLIAMS FRED ROSE

Kawliga was a wooden Indian standing by the door

He fell in love with an Indian maiden

Over in the antique store

Kawliga just stood there and never let it show

So she could never answer "yes" or "no"

He always wore his Sunday feathers

and held a tomahawk

The maiden wore her beads and braids

and hoped some day he'd talk

Kawliga too stubborn to ever show a sign

Because his heart was made of knotty pine

Poor ol' Kawliga he never got a kiss

Poor ol' Kawliga he don't know what he missed

Is it any wonder that his face is red

Kawliga, that poor ol' wooden head

Kawliga was a lonely Indian, never went nowhere

His heart was set on the Indian maiden

With the coal black hair

Kawliga just stood there and never let it show

So she could never answer "yes" or "no"

And then one day a wealthy customer bought the Indian maid

And took her, oh, so far away but ol' Kawliga stayed

Kawliga just stands there as lonely as can be

And wishes he was still an old pine tree.

## YOU'RE WALKING ON MY HEART

HANK THOMPSON BILLY GRAY

You're walking on my heart

You're walking out on me

I'll just be a carpet in your house of reverie

You're walking on my heart

Like a sidewalk of stone

You stepped on my feelings

You say your love is gone

The pavement is ending in sorrow

You say it's the end of the line

There'll be no new day tomorrow

Because you're no longer mine

You really trampled on me

You say we must break apart

Can't you see where you're treading

You're walkin' on my heart

Life's highway has lost its direction

I don't know which way to turn

I'm blinded by sorrow's reflection

All I can do now is yearn

E'en now my emotions have died

Since you ripped them apart

While you stroll with another

You're walking on my heart

## WHY DON'T YOU BELIEVE ME

(Capitol Record by Margaret Whiting)

LEW DOUGLAS KING LANEY ROY RODDE

Why don't you believe me

It's you I adore

Forever and ever, can I promise more?

I've told you so often

The way I care

Why don't you believe me

It just isn't fair

Here, is a heart that is lonely

Here is a heart you can take

Here is a heart for you only

That you can keep or break

How else can I tell you

What more can I do

Why don't you believe me

I love only you

Copyright 1952 by Brandom Music Co.

## I'LL NEVER SMILE AGAIN

RUTH LOWE

I'll never smile again

Until I smile at you

I'll never laugh again

What good would it do?

For tears would fill my eyes

My heart would realize,

That our romance is through

I'll never love again

I'm so in love with you.

I'll never thrill again

To somebody new

Within my heart

I know I will never start

To smile again until I smile at you.

Copyright 1939 by Pickwick Music Corp.

## THE CLOWN

IRVING GORDON

I'll be gay tho' people say that that we are parting

Ev'ry day they'll see me play the clown

Trying to disguise love that fills my eyes

I'll be painting smiles on ev'ry frown

But at dawn when folks have gone

and tears are starting

And those uninvited mem'ries come

around

I'll miss you dearest one

For tho' clowning may be fun

It's fun to ev'ryone but the clown

## ANGEL EYES

EARL BRENT MATT DENNIS

Try to think that love's not around

Still it's uncomf'rt'bly near

My old heart ain't gainin' no ground

Because my "angel eyes" ain't here

"Angel eyes" that old devil sent

They glow unbearably bright

Need I say that my love's misspent

Misspent with "angel eyes" tonight

So drink up all you people

Order anything you see

Have fun you happy people

The drink and the laugh's on me

Pardon me, but I gotta run

The fact's uncommonly clear

Gotta find who's now "number one"

And why my "angel eyes" ain't here

'Scuse me while I disappear

## THE SINGING BELLS

(Capitol Record by Margaret Whiting)  
**EDDIE POLA** **GEORGE WYLE**  
 I love the singing bells  
 They're ringin' ding-ling-in'  
 For when they sing a tune  
 There'll be a honeymoon  
 Come listen to the bells  
 They're singin' ding ling-in'  
 And we will hear 'em play  
 Upon our wedding day

Way upon the mountain and down by  
 the stream  
 The lark and the bluebird are sharing  
 our dream  
 The robin is throbbin' a gay melody  
 They're wishing good fortune to you  
 and to me

Way over the meadow where soft  
 breezes blow  
 The daisies are waving a happy hello  
 And I see the willow is weeping no  
 more  
 He looked at my darlin' and liked  
 what he saw

The folks in the village are care-  
 free and gay  
 They're happy for us 'cause it's our  
 wedding day  
 The bells in the steeple are singing  
 their song  
 They know we'll be married before  
 very long

So listen to the bells  
 They're singin' ding ling-in'  
 And we will hear 'em play  
 Upon our wedding day

## WALKING THE FLOOR OVER YOU

**ERNEST TUBB**  
 You left me and you went away  
 You said that you'd be back in just a  
 day  
 You've broken your promise and you  
 left me here alone  
 I don't know why you did dear  
 But I do know that you're gone

I'm walking the floor over you  
 I can't sleep a wink, that is true  
 I'm hoping and I'm praying  
 As my heart breaks right in two  
 Walking the floor over you

Now darling you know I love you  
 well

Love you more than I can ever tell  
 I thought that you wanted me  
 And always would be mine  
 But you went and left me here  
 With troubles on my mind

Now some day you may be lonesome,  
 too

Walking the floor is good for you  
 Just keep right on walking  
 And it won't hurt you to cry  
 Remember that I love you  
 And I will the day I die

**LET'S FALL IN LOVE**  
TED KOEHLER HAROLD ARLEN  
Let's fall in love  
Why shouldn't we fall in love  
Our hearts are made of it  
Let's take a chance  
Why be afraid of it  
Let's close our eyes  
And make our own paradise  
Little we know of it  
Still we can try to make a go of it  
We might have been meant for each other  
To be or not to be  
Let our hearts discover  
Let's fall in love.  
Why shouldn't we fall in love  
Now is the time for it while we are young

SID TEPPER ROY BRODSKY  
I had a little too much to dream last night  
I dreamed a little too much of you last night  
I tasted the kiss that used to be mine  
It went to my head like wine  
Just when I thought I'd run out of tears to cry  
I dream of you and I've got a new supply  
Goodbye, my heart, you lose

**DON'T TELL LIES**  
JIMMIE CRANE AL JACOBS  
Don't tell lies  
Don't try to hide what I can see  
I'm losing you  
I know we're thru, so don't tell lies  
Cross your heart  
And tell the truth for once to me  
Then say goodbye and let me cry  
But don't tell lies  
You say you love me and we won't part  
How can you love me  
When someone else is in your heart  
Oh! don't tell lies  
I know you love somebody new  
It's sad for me  
Because you see I still love you

### See Sample Puzzle at Upper Right!

This contest consists of puzzles like the **SAMPLE PUZZLE** above. Note how we filled it in . . . how we identified the objects and found that certain letters in the names of the objects stood out from the rest, thus to spell out the name of the famous person pictured at the bottom. Read the explanation carefully.

Note how we identified each object with a word of as many letters as there are boxes in diagram accompanying it. In upper left we filled in word **SHOE**; in upper right, **TIE**. In lower left, **TIGER**; in lower right, **PURSE**. Note that some of the letters fell into boxes with a little circular frame inside. Those "circled" letters, arranged into proper order, spell out the famous name we are looking for.

Here, for example, the "circled" letters are **H T R U**. So we run through the names printed under the puzzle and discover **Babe RUTH**, whose last name is the correct solution, and whose picture you see at bottom.

### SAMPLE PUZZLE

<b>SHOE</b>	<b>TIE</b>

PORT WASHINGTON, N. Y.—As explained in a new FREE BOOK, anyone who wishes to play piano, guitar, accordion, or any other musical instrument can now learn quickly, through "Easy As A-B-C" Method.

Thanks to the clear, step-by-step, "print-and-picture" music lessons which the U. S. School of Music sends out to its students everywhere, thousands now play who never thought they could.

Over 900,000 people, including housewives and business men, bakers and bookkeepers, children and retired folks, have taken up this modern way to learn. On this page are shown just a few of their actual reports—telling how well they have done and what it means to them.

Unlike the old-fashioned way to learn music, there are no boring scales or exercises to do. You simply start right in playing simple pieces —properly, by note. Sensible explanations and clear pictures guide your fingers every step of the way. Sooner than you'd ever dream possible, you find yourself playing hymns, waltzes, folk songs, musical comedy hits, classical num-

bers. No particular "talent" is required, and the cost is only a few cents a lesson.
